# QSC 2019 SPEAKERS

*A Letter From Our Team*

Dear Prospective Partner,

Firstly, we appreciate you taking interest in becoming a speaker at the Queen's Space Conference, Canada's premier student-run space conference. Our conference is entering its seventh year and it has proven to be an exceptional experience for all those who attend. QSC is a unique event, with the majority of our delegates being undergraduate students from a variety of Canadian Universities. Starting with less than 50 delegates when the conference first began and last year hosting approximately 120 delegates, our conference is constantly evolving as interest continues to grow. By voicing your unique experiences in the space industry, you will be inspiring the many intellectual and passionate minds in our audience. We hope that you can speak at QSC 2019 and help bring this year's conference to a new level of success.

On behalf of the entire QSC 2019 team, thank you and we hope to see you in the near future!

# WHY QSC?

*Here are some reasons to join the QSC family*

## **MISSION**

It is QSC's mission to inspire our delegates to explore the endless possibilities in the space industry through the engaging speakers and lively networking events. Our conference is organized to benefit each and every one of our speakers, sponsors, and delegates in attendance. Your participation would be sparking new and developed interests in the young minds looking to pursue futures in the space industry and in research. QSC provides professionals and passionate students alike the opportunity to connect in an environment focused around our progress in space. We take pride in being able to host a memorable and stimulating event full of fascinating space-related content year in and year out.

## **OFFER**

Our conference is a bridge between education and industry and we strive to create a dynamic event where both the technical and personal sides of the industry are explored. This offers an invaluable opportunity for partners to help grow exposure and interest in a unique way.

## **ACCOMMODATIONS**

We understand the busy and demanding work of a professional in your field, and as such we will do our utmost to ensure you have a comfortable stay with us. QSC will provide accommodation and meals for speakers throughout the conference weekend, which will be hosted at the Four Points by Sheraton in Kingston, Ontario. Dietary restrictions and allergies will be accommodated.

# THEME

*Here's what to expect from this year's conference*

Every year, QSC focuses on a specific theme to organize the conference around. Past years' themes have included "The Civilian's Guide to the Galaxy" and "The Next Giant Leap." This year's theme is **"On the Brink of a New World: Outer Space."**

Thank you for reading! We look forward to hearing from you soon.
